Alfalfa & Forage Consultant Tom Kilcer at 2018 Empire Farm Days Tuesday Aug 7

Seneca Falls, NY. The Empire Farm Days special events lineup at Rodman Lott and Son Farms in Seneca Falls, NY, has added a Tuesday, August 7 presentation by alfalfa and forage consultant Tom Kilcer of Advanced Ag Systems, Kinderhook, NY, as part of an informational social event sponsored by HarvXtra Alfalfa.

The program presentation by Kilcer will take place at 2:30 pm followed by a social hour with food, beverages, and a presentation by experts on HarvXtra Alfalfa from 3 pm to 5 pm in the Special Events Center.

Kilcer will speak on the highly digestible alfalfa making an impact on dairy farms in profitable, healthy, high forage diets. He will address the top new genetics in alfalfa that have been proving to enhance forage quality, and key steps for keeping the forage program consistent on each farm with tips on how to achieve the full potential of your alfalfa crop from planting to harvest.

Registration at www.FGIFieldDays.com is preferred, but walk-ins will be welcome.

Empire Farm Days is the largest outdoor agricultural trade show in the Northeastern U.S. The event includes agricultural and rural living equipment, working equipment and crops demonstrations, test driving, products, live horse and cattle demonstrations, safety information, and much more with more than 600 exhibitors and vendors. For details on the 2018 Empire Farm Days event, visit the website at www.empirefarmdays.com.
